FROM

THE SECRETARY TO THE HON'BLE THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Dated Bangalore, the 15th April *194* 2.

Auxiliary Nursing Service, India.

SIR,

I am directed to forward a copy of a letter from the Government of India, Civil Defence Department No.78/184/41-A.R.P., dated the 2nd March 1942, with enclosure, and to say that, in consultation with His Excellency the Crown Representative, the Government of India have decided that:-

(i) subjects of Indian States who volunteer for "general service" in the Auxiliary Nursing Service will be trained at the expense of the Government of India in any of the hospitals recognised by the Director General, Indian Medical Service, for Auxiliary Nursing Service training, whether situated in British India or in an Indian State;

(ii) subjects of an Indian State who volunteer for "local service" within the State in connection with Civil Defence duties as a part of the Auxiliary Nursing Service organisation, will be trained at the expense of the State concerned in any of the hospitals recognised by the Director General, Indian Medical Service, for Auxiliary Nursing Service training, whether situated in British India or in an Indian State. British Indian subjects volunteering for local civil defence work in British Indian territory will be trained at the expense of the Government of India in any of the hospitals recognised by the Director General, Indian Medical Service, in British India or in an Indian State.

(iii)

(iii) the quota for "General service" candidates from Indian States to be trained at Government of India expense either in a British Indian or State hospital will be fixed by the Director General, Indian Medical Service, and communicated to Administrative Medical Officers, who will allocate candidates to hospitals in Indian States in direct communication with the Medical Officer of the State concerned.

(iv) tne number of "local service" candidates from Indian States to be trained in connection with Civil Defence duties should be intimated by the Medical Officer of the State concerned to the Director General, Indian Medical Service, who will allot the candidates to the hospitals recognised for Auxiliary Nursing Service training in both British India and Indian State territories.

2. I am to request that, if there is no objection, this Residency may kindly be informed as early as possible of the number of candidates from the M y s o r e State who wish to be trained for

(a) "General Service" at the expense of the Government of India, and

(b) "Local Service" (Civil Defence duties) at the expense of the State.

3. I am also to request that a list of hospitals which are considered suitable for training candidates uncer the Auxiliary Nursing Service scheme, may kindly be forwarded to this Residency for communication to the Political Department. I am to add in this connection that ordinarily only hospitals which have more than 100 beds on a daily average and employ properly qualified nursing staff are considered suitable for Auxiliary Nursing Service training, as all the Provincial Nurses Registration Councils have agreed to count the training under the Auxiliary Nursing Service scheme towards the full training required for a general Nursing Certificate, provided that the training is restricted to those hospitals which fulfil the above conditions. The names of hospitals in the Mysore State which are already recognised by Provincial Nurses Registration Councils may also kindly be intimated to this Residency for communication to the Political Department.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.

Copy of letter No.78/184/41-A.R.P., dated New Delhi, the 2nd March 1942, from the Government of India, in the Civil Defence Department to Chief Commissioners.

Terms and conditions of employment on civil defence duties of members of the Auxiliary Nursing Service, India.

I am directed to enclose a copy of the Auxiliary Nursing Service Scheme, and a statement of the terms and conditions on which members of the Auxiliary Nursing Service may be employed on civil defence duties.

2. I am to add that if a member of the Auxiliary Nursing Service, India, is employed on civil defence duties, she will, while so employed, be a servant of the Administration employing her, just as any other Government servant seconded for civil defence duty with the Administration will be. It will thus be observed that she will serve under you on the terms and conditions sanctioned for her employment on civil defence duties by the Government of India in the Civil Defence Department, but will be under the administrative control of the Civil Defence authorities in your Administration.

3. The list of Auxiliary Nursing Service nurses available for civil defence duties will be sent to

(i) Civil Administrative Medical Officers;
(ii) Air Raid Precautions Controllers,
(iii) Lady District Superintendent of the Local St.John Ambulance Brigade.

4. The agreement form referred to in paragraphs 1,2 and 8 of the terms is being drafted by the Solicitor to the Government of India and copies of the same will be forwarded by the Director General, Indian Medical Service, to all Civil Administrative Medical Officers in due course.

5. The expenditure incurred on this account will be debitable to your Area Budget Grant.

Annexure to Government of India, Civil Defence Department letter No.78/184/41-ARP, dated the 2nd March 1942.

Dated Bangalore, the 21/8 August *1942.*

Auxiliary Nursing Service.

SIR,

I am directed to refer to your letter No.Pol.2433/W, dated the 24th June 1942, and to say that it is now proposed to admit only a limited number of carefully selected candidates for "General Service" to the larger training hospitals and to keep them under training for a period from three to nine months, provided that in the meantime their services are not required by the Army. Special terms under which this training will take place are under consideration and a copy will be sent to you as early as possible. A list of the hospitals considered suitable for such training has already been drawn up and it is suggested that any candidate applying for General Service from the Mysore State under the proposed terms may take her training at one of the following hospitals situated near the State:-

Madras.

(1) General Hospital, Madras.
(2) Stanley Hospital, Madras.
(3) Royapetta Hospital, Madras.
(4) King George's Hospital, Vizagapatam.
(5) Government Headquarters Hospital, Guntur.

Bangalore.

(1) Lady Curzon and Bowring Hospital, Bangalore.

2. Volunteers for Local Service within the State may be trained in the State, and the Director General, Indian Medical Service has accorded his approval to the use of the following two hospitals,

hospitals, which are stated to have been recognised by the Provincial Nurses Registration Councils, for Auxiliary Nursing Service Training:-

(1) Victoria Hospital, Bangalore.
(2) Krishnarajendra Hospital, Mysore.

The names of the Provincial Nurses Registration Councils to which these hospitals are affiliated may kindly be intimated to this Residency for communication to the Political Department. As regards the other two hospitals mentioned in your letter, I am to request that if the Government of Mysore desire to have these also recognised for Auxiliary Nursing Service training, a list of the teaching staff with their professional qualifications and experience may kindly be furnished to this Residency for communication to the Director General, Indian Medical Service, when action will be taken for their affiliation to one of the Provincial Nurses Registration Councils.
